If your company wants to deliver a truly unique and inspiring experience for clients, members, and employees alike, Harbourfront Centre Sailing & Powerboating (HCSP) Corporate Team Sailing experiences are ideal.

HCSP offers the best in on-water sailing adventures that will engage your guests in a fun day out, while developing new skills in a relaxed, safe and unique environment. No prior experience is required, as participants will get a brief introduction to sailing before hitting the water to enjoy the thrill of sailing in Toronto's beautiful inner harbour. Following the sailing excursion, private areas can be booked to host an "après sail" reception to celebrate and wrap up your day on the water.

We customize our events to suit the specific objectives of your company. Let our staff know your specific event goal, and we will seek to tailor your experience accordingly.

### TAKE YOUR EVENT IN A DIFFERENT DIRECTION

- We can create custom-built packages, depending on your needs.
- We promise easy organization of your event
- We guarantee fun and adventure for all and enable you to meet your company's objectives in a uniquely interactive way.

### ENHANCED SAIL BRANDING

Sail branding opportunities are also available to enhance your corporate team sailing experience during your event at HCSP. The main sails on the fleet can be adapted to include your brand, slogan, or message, delivering an elevated experience for guests. In addition, your brand will be the focal point for tens of thousands of residents, businesses and tourists that use our waterfront daily, providing enhanced, exceptional and uncluttered brand-exposure value.

Don't miss the opportunity for your company to deliver a memorable corporate experience that will resonate with your guests long after their day on the water. For all sail-branding advertising opportunities, please email Emma Wright: ewright@harbourfrontcentre.com.
