

Harbourfront Centre Camps Subsidy Package 2024

Thank you for your interest in the Harbourfront Centre Camps Subsidy program! This subsidy program is designed to assist families whose financial circumstances make it difficult to afford a camp experience for their children. Financial assistance is available for up to **two weeks** during the summer. Limited space is available. As the aim of the program is to provide as many children as possible with this valuable camp experience priority will be given to applicants who have not received financial assistance in the past.

DEADLINES

Summer Camps: Applications for subsidies must be received by 4pm (ET), May 31, 2024
 Please note: All Kids First applicants must submit a complete application to be considered. Applications are processed as they are received. Spaces are limited and based on availability.

QUALIFYING FOR SUBSIDY

We can subsidize up to 100% of the camp registration fees, with some exceptions. We are unable to offer subsidy on travel. Some camps have restrictions on the amount of subsidy that can be awarded. Should the subsidy be provided by a third party, you may be asked to provide additional information in the form of a testimonial or other documentation. If this is a condition of your subsidy being provided, you will be informed of it at the time of your registration.

Subsidy rates at Harbourfront Centre are geared to the Low Income Cut-Off (LICO) as determined by Statistics Canada. This criterion is calculated annually and will always use the most updated LICO as the base line. The amount of discount provided is linked to the **before tax** income as determined by the LICO.
